SALES STRATEGIES 2026

Robin Marlier - Milo Cardonna - Alexandre Delattre - Matheo Vicente

SUMMARY:

FRANCE SALES PLAN 2026,	SLIDE 03
MACRO SCENARIO & COMPETITIVE POSITIONING	SLIDE 04–06
FUND RANKING & COMMERCIAL EXECUTION	SLIDE 07–11
KPIS & DECISION REQUESTED	SLIDE 12

GLOBAL STRATEGIC MESSAGE

THE EDRAM IDENTITY FOR 2026

EDRAM SHOULD POSITION ITSELF AS THE HOUSE OF DISCIPLINED CARRY AND SELECTIVE THEMATIC GROWTH IN EUROPE. OUR GOAL IS TO AVOID "COMMERCIAL COMMODITIZATION"—THE RISK OF TELLING THE EXACT SAME STORY AS EVERY OTHER COMPETITOR.

THREE PILLARS OF DIFFERENTIATION

FIXED INCOME FIRST: OPEN CLIENT CONVERSATIONS WITH CARRY AND CREDIT STRATEGIES RATHER THAN BROAD GLOBAL EQUITY PITCHES.

DISCIPLINED AI EXPOSURE: AVOID COMPETING HEAD-TO-HEAD WITH GIANTS LIKE BLACKROCK OR J.P. MORGAN ON US MEGA-CAP TECH. INSTEAD, SELL AI THROUGH A MORE SELECTIVE AND DISCIPLINED LENS.

UNEXPLOITED ANGLES: LEVERAGE NICHE THEMES SUCH AS HEALTHCARE AND SPECIFIC EUROPEAN DOMESTIC EXPOSURES TO OFFER A UNIQUE ALTERNATIVE TO PEERS.

THE **GREATEST THREAT** TO OUR 2026 PLAN IS NOT A MACROECONOMIC ERROR, BUT COMMERCIAL INVISIBILITY. WE WIN BY REMAINING SPECIFIC, CREDIBLE, AND **DISTINCT FROM THE CONSENSUS**.

FRANCE - THE RED THREAD

FRANCE IS EDRAM'S **LARGEST** COMMERCIAL MARKET. **€14.2BN** TOTAL AUM, **€6.8BN** LOCALLY.

THIS IS NOT A MARKET TO CONQUER — IT IS A MARKET TO OPTIMISE AND DEEPEN.

THE FRENCH MACRO IN 2026 SAYS ONE THING:

CARRY OVER DURATION**, EUROPE** OVER US**, SELECTIVITY** OVER BETA**.**

OUR PLAN FOLLOWS THIS LOGIC PRECISELY:

FINANCIAL BONDS → **TRICOLORE CONVICTIONS** → **HEALTHCARE**. IN THAT ORDER. FOR THAT REASON.

MACRO SCENARIO — BASE CASE

GROWTH:	**1.0%** (BANQUE DE FRANCE) / **0.9%** (EUROPEAN COMMISSION) **NO RECESSION**. **NO REACCELERATION**.
INFLATION:	**1.3%** — BELOW THE ECB TARGET. **DISINFLATION CONFIRMED.**
ECB RATE:	**2.00%** SINCE JUNE 2025**. TERMINAL RATE REACHED OR CLOSE.**
HOUSEHOLD SAVINGS RATE:	**18.4%** (INSEE Q3 2025) — **POTENTIAL COLLECTION RESERVOIR IF CONFIDENCE RETURNS.**
PUBLIC DEFICIT:	**4.9%** OF GDP. DEBT AT **118.1%**. **REAL FISCAL CONSTRAINT**.

INVESTMENT READ:

DISINFLATION + **STABLE ECB** + **ELEVATED DEBT** = **SPREADS PAY MORE** THAN LONG SOVEREIGN DURATION.
EQUITIES REMAIN INVESTABLE BUT **SELECTIVELY** — NOT THROUGH A US MEGA-CAP NARRATIVE.

ALTERNATIVE SCENARIOS

BULL CASE

SAVINGS RATE DECLINE, CONSUMPTION REBOUNDS, GERMAN STIMULUS SPILLOVER MORE VISIBLE IN FRANCE → REINFORCE TRICOLORE CONVICTIONS, OPEN HEALTHCARE EARLIER, KEEP FINANCIAL BONDS AS THE FOUNDATION

BEAR CASE

EXTERNAL TRADE SHOCK, FRENCH FISCAL EXECUTION MORE COMPLICATED, SPREAD VOLATILITY RETURNS → ACCENTUATE FINANCIAL BONDS, STAY DISCIPLINED ON CREDIT QUALITY, USE HEALTHCARE AS A DEFENSIVE BUFFER

WHAT DOES NOT CHANGE IN ANY SCENARIO:

FINANCIAL BONDS IS ALWAYS THE FIRST POINT OF ENTRY. THE FRANCE NARRATIVE IS NEVER A GLOBAL BETA STORY.
THE CORE + RELAY + SATELLITE ARCHITECTURE **REMAINS INVARIANT**.

COMPETITIVE POSITIONING

ACTIVE PEERS IN FRANCE: AMUNDI, BNP PARIBAS AM, CARMIGNAC, CANDRIAM, ODDO BHF AM

WHAT EVERYONE IS SAYING:

EUROPE MORE DEFENSIBLE THAN IN 2024 / EURO CARRY AND CREDIT ATTRACTIVE / CAUTION ON US MARKET CONCENTRATION → EDRAM IS IN CONSENSUS ON THESE POINTS. REASSURING BUT NOT DIFFERENTIATING.

WHERE EDRAM WINS:

HEALTHCARE ASSUMED AS A CENTRAL COMMERCIAL CONVICTION – PEERS DO NOT CARRY IT AS EXPLICITLY. SHARPER CRITIQUE OF AI MEGA-CAPS – WE DO NOT SELL BIG DATA AS A NASDAQ CLONE. TRICOLORE CONVICTIONS – FRANCE/EUROPE DOMESTIC STORY THAT NO ONE ELSE OFFERS IN THIS FORMAT.

WHERE WE DO NOT FIGHT:

BROAD GLOBAL EQUITY NARRATIVE → BLACKROCK AND JPMORGAN ARE MORE NATURAL THERE.
DEFENCE/INFRASTRUCTURE THEMATIC AT SCALE → BNP AND CANDRIAM ARE BETTER INSTALLED.

THE CONCLUSION: EDRAM WINS LESS ON A BIG MACRO CALL THAN ON BETTER RELATIVE EXECUTION OF ITS MESSAGE.

FUND SELECTION AND RANKING

RANK 1 — EDR SICAV FINANCIAL BONDS ROLE: FIXED INCOME CORE

WHY NOW: BEST TRANSLATION OF THE **CARRY > DURATION** REGIME IN FRANCE TARGET AUM: €600.7M ACROSS 56 RELATIONSHIPS 12-MONTH OBJECTIVE: €22.0M NET SALES AVERAGE TICKET: €10.73M

RANK 2 — EDR SICAV TRICOLORE CONVICTIONS ROLE: DOMESTIC EQUITY RELAY

WHY NOW: FRANCE/EUROPE **VALUATION ASYMMETRY** VS US, LEGITIMATE DOMESTIC MARKET NARRATIVE TARGET AUM: €600.6M ACROSS 147 RELATIONSHIPS 12-MONTH OBJECTIVE: €21.3M NET SALES AVERAGE TICKET: €4.09M

RANK 3 — EDR FUND HEALTHCARE ROLE: DEFENSIVE THEMATIC SATELLITE

WHY NOW: MARKET BLINDSPOT — **LESS CARRIED BY PEER**S, DEFENSIVE GROWTH PROFILE TARGET AUM: €265.6M ACROSS 67 RELATIONSHIPS 12-MONTH OBJECTIVE: €8.3M NET SALES AVERAGE TICKET: €3.96M

TOTAL FRANCE BASKET: **€51.6M NET SALES** / **124 UNIQUE TARGET** RELATIONSHIPS

WHY FINANCIAL BONDS COMES FIRST

THE PRODUCT: EUROPEAN FINANCIAL CREDIT — SENIOR DEBT, SUBORDINATED BONDS, COCOS EUROPEAN BANKING SECTOR BETTER CAPITALISED THAN IN 2015, SPREADS MORE REWARDING THAN SOVEREIGNS

THE FRENCH MACRO ARGUMENT:

DISINFLATION + STABLE ECB + ELEVATED PUBLIC DEBT = FINANCIAL SPREADS PAY MORE THAN LONG OATS
"VISIBLE YIELD WITHOUT AN AGGRESSIVE BET ON FALLING LONG-TERM RATES"

THE COMMERCIAL ARGUMENT:

72% OF TARGET AUM ALREADY COMES FROM THE INSURANCE OWN ACCOUNT CHANNEL THIS CHANNEL UNDERSTANDS THE PRODUCT, ALREADY HAS A RELATIONSHIP WITH EDRAM, AND OPERATES IN A RECURRING YIELD LOGIC

HOW TO OPEN THE MEETING:

"*IN THE CURRENT ENVIRONMENT — STABLE ECB, CONTAINED INFLATION, PRESSURE ON LONG SOVEREIGNS — WE BELIEVE EUROPEAN FINANCIAL CREDIT OFFERS THE BEST RISK-ADJUSTED YIELD PROFILE FOR A FIXED INCOME ALLOCATION IN 2026.*"

WHY TRICOLORE CONVICTIONS COMES SECOND

WHAT THE FUND IS NOT: IT IS NOT A BET ON FRENCH GROWTH BEING SUPERIOR TO THE UNITED STATES.
WHAT THE FUND IS: A BETTER ASYMMETRY. MORE DEFENSIBLE VALUATIONS. LOWER CONCENTRATION. A LEGITIMATE NARRATIVE ON THE DOMESTIC MARKET.

THE DIFFERENTIATION ARGUMENT:

PEERS TALK ABOUT EUROPE IN GENERAL. EDRAM TALKS ABOUT FRANCE SPECIFICALLY, WITH A CONCENTRATED PROCESS ON THE SBF 120 AND GENUINE KNOWLEDGE OF THE DOMESTIC FABRIC.

THE MAIN CHANNEL:

UNIT LINK AT 76% — LIFE INSURANCE PLATFORMS, A SEGMENT LOOKING FOR A READABLE FRENCH EQUITY POCKET FOR ITS RETAIL CLIENTS

HOW TO POSITION IT IN THE MEETING:

"*HAVING ESTABLISHED THE FIXED INCOME CORE WITH FINANCIAL BONDS, THE NEXT QUESTION IS: WHAT EQUITY EXPOSURE IN 2026? OUR ANSWER IS NOT PASSIVE CAC 40 NOR A GLOBAL EQUITY FUND. IT IS A CONCENTRATED, SELECTIVE FRANCE/EUROPE CONVICTION.*"

WHY HEALTHCARE COMPLETES THE PICTURE

ITS ROLE: THIRD STEP OF THE MEETING — NEVER THE OPENING PRODUCT.

WHY IT DIFFERENTIATES:

HEALTHCARE EXISTS IN EVERY MANAGER'S RANGE BUT IS RARELY CARRIED AS A CENTRAL COMMERCIAL CONVICTION. EDRAM ASSUMES IT EXPLICITLY IN ITS 2026 OUTLOOK. THAT IS THE EDGE.

THE PRODUCT ARGUMENT:

DEFENSIVE GROWTH — PHARMACEUTICAL INNOVATION, DEMOGRAPHIC AGEING, REVENUE RECURRENCE, LOWER CYCLICALITY THAN BROAD EQUITIES.

THE CHANNEL:

UNIT LINK AT 92.7%. DO NOT PITCH HEALTHCARE TO AN INSURANCE OWN ACCOUNT.

HOW TO PRESENT IT:

"A PREMIUM SATELLITE TO COMPLETE THE ALLOCATION — A CONVICTION WE CARRY MORE EXPLICITLY THAN OUR PEERS, JUSTIFIED OVER A 3-5 YEAR HORIZON."

CLIENT TARGETING AND COMMERCIAL CHOREOGRAPHY

INSURANCE OWN ACCOUNT → FINANCIAL BONDS ONLY. YIELD, SPREAD PREMIUM, NO EQUITY CONVERSATION.

UNIT LINK PLATFORMS → TRICOLORE THEN HEALTHCARE. CORE + SATELLITE FOR UC SAVERS. JANUARY 2026 UC AT 43% — TIMING IS RIGHT.

EDR PRIVATE BANKING / PRIVATE BANKS → FULL SEQUENCE. FINANCIAL BONDS → TRICOLORE → HEALTHCARE. COMPLETE FRANCE ALLOCATION IN THREE STEPS.

THE 60-SECOND RULE: EVERY MEETING OPENS WITH THE COUNTRY MACRO READ. NO PRODUCT PITCH BEFORE THE CLIENT VALIDATES THE THESIS. FINANCIAL BONDS FOLLOWS AS THE NATURAL CONSEQUENCE.

CLIENT TARGETING AND COMMERCIAL CHOREOGRAPHY

THE NUMBERS THAT MATTER

Metric	Value
EdRAM France AUM	€6.8bn
12-month net sales objective	€51.6m
Target relationships	124
ROI per relationship	€0.416m

WHY THE TIMING IS RIGHT JANUARY 2026 — UNIT LINK COLLECTION AT 43% OF TOTAL LIFE INSURANCE INFLOWS. THE CHANNEL IS OPEN.
